Hi Donn,

Paul, Carlos and I now have a conflict that will probably result in only one person coming to the Open House. We will let you know in the next week or two if this plan changes.

Regards,

Earl

Hello, Earl. I understand from Gary that you all may be able to join us in the upcoming San Jacinto Waste Pits timely Open House / Availability session in late May to discuss current site issues and what's next. This meeting is being planned for May 25, 2016 from 4:30 p.m. -8:30 p.m. at the Highlands Community Center. Can you all head a table of information in behalf of your agency e.g. Fact sheets, pictures, maps that inform on the site's cleanup or the river, etc. No formal presentations are planned at this time. TDSHS for example will have a display on public health, etc.

We hope you can participate in this information session for the community.

Thanks.
